Dear Colleague, *dear Gunter.*

I should like to take this opportunity to thank you again for the time and effort which you have devoted to the work of the group. I am sending a letter to Mr Lamfalussy to thank him for the excellent facilities and generous hospitality which the BIS offered and which facilitated our work.

I have had the Report translated and printed and am sending you under separate cover copies in both your own language and English.

Yours sincerely,

Jacques DELORS
