14TH ERPB TECHNICAL SESSION ON DIGITAL EURO

10 December 2024 from 14:00 to 16:00h CET

Remote, Microsoft Teams

AGENDA

1	Introductory remarks by the Chair
2	Summary of feedback on Fit in the ecosystem. The ECB will provide an overview of the feedback and contributions from market stakeholders received in relation to the written consultation launched at the previous ERPB technical session on the digital euro on 1 October. <i>Presenter: ECB</i>
3	Update on work on methodology for holding limit calibration. The ECB will update on the workstream on the calibration of holding limits. Specifically, the ECB will present an initial overview of the methodology for the calibration of holding limits. <i>ERPB stakeholder representatives will be invited to share their feedback on the analysis. Therefore, a written procedure will follow the meeting to collect stakeholder associations' views on related presentation (deadline for written procedure: Tuesday 28 January).</i> <i>Presenter: ECB</i>
4	Update on Experimentation The ECB will provide an update on the innovation partnerships workstream, also describing the timeline with the next steps. <i>Presenter: ECB</i>
5	AOB and closing remarks by the Chair
